Accessibility Statement

Introduction

www.ak9security.com is committed to ensuring that our website is accessible to all users, including those with disabilities. We strive to meet or exceed the requirements of the Web Content Accessibility Guidelines (WCAG) 2.1 at the AA level to ensure that our website is usable by individuals with diverse abilities.

Accessibility Features

Here are some of the key accessibility features we have implemented on our website:

- **Alternative Text:** We provide alternative text descriptions for images and other non-text content to ensure that the information is accessible to screen reader users.
- **Keyboard Navigation:** Our website is designed to be navigable using a keyboard, without the need for a mouse.
- **Clear Structure:** We use semantic HTML and proper heading structure to make it easier for screen reader users to understand and navigate our content.
- **Colour Contrast:** We maintain sufficient colour contrast to make content readable for users with low vision or colour blindness.
- **Responsive Design:** Our website is responsive and adapts to various screen sizes and devices, including mobile phones and tablets.

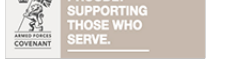

Accessibility Support

If you encounter any accessibility barriers while using our website or have suggestions for improvement, please contact us. We are committed to addressing and resolving issues promptly.
